PRÉSIDENT DU CONGRÈS

Bernard IUNG

SECRÉTAIRE SCIENTIFIQUE

Victor ABOYANS

SECRÉTAIRE SCIENTIFIQUE ADJOINTE

Anne BERNARD

COMITÉ D'ORGANISATION

Claire BOULETI

Ariel COHEN

Jean-Claude DEHARO

Hélène ELTCHANINOFF

Christophe LECLERCQ

Damien LOGEART

Olivier PIOT

COMITÉ SCIENTIFIQUE

Joachim ALEXANDRE

Theodora ANGOULVANT

Cyrille BERGEROT

Anne BERNARD

Emmanuelle BERTHELOT

Franck BOCCARA

Clément DELMAS

Erwan DONAL

Thierry GARBAN

Sébastien HASCOËT

Sarah LAROCHE

Gilles LEMESLE

Thomas MODINE

Jean-Jacques MONSUEZ

Laura MUNTE

Frédéric SACHER

Frédéric SCHNELL

Antonin TRIMAILLE

Eric VAN BELLE

CONSEIL D'ADMINISTRATION

Président Bernard IUNG

Président sortant Christophe LECLERCQ

Vice-Président Hélène ELTCHANINOFF

Secrétaire Scientifique

En charge des Journées Européennes

Victor ABOYANS

Secrétaire Scientifique Adjointe

En charge de la Pédagogie et de la Simulation

Anne BERNARD

Secrétaire Général Adjointe

En charge de la Recherche

Claire BOULETI

Secrétaire Général Jean-Claude DEHARO

Trésorier Damien LOGEART

Secrétaire en charge des Communautés
Olivier PIOT

Membres du Conseil

Philippe ACAR Patrice GUERIN

Denis ANGOULVANT Guillaume JONDEAU

Gilles BARONE-ROCHETTE Stéphane LAFITTE

Guillaume BONNET Gilles LEMESLE

Luc CHRISTIAENS Paul-Ursmar MILLIEZ

Ariel COHEN Bruno PAVY

Philippe COMMEAU Francesca ROCHAIS

Erwan DONAL Frédéric SACHER

Laurent FAUCHIER Antonin TRIMAILLE

Jérémy FAUCONNIER Jean-Noël TROCHU

Jean FERRIERES Marc VILLACEQUE

Thierry FOLLIGUET

Présidents Honoraires

M. BERTRAND P. GUERET

J.P. BROUSTET C. GUEROT

A. COHEN A. HAGEGE

N. DANCHIN R. HAIAT

J.C. DAUBERT M. KOMAJDA

G. DERUMEUX J.M. LABLANCHE

J.P. FAUCHIER J.Y. LE HEUZEY

M. GILARD A. VACHERON

[SP] Session Parrainée [J] Parcours Jeunes Cardiologues Session Industrie Session Paramédicale Conférence

[SP] Sponsored Session [J] Young Cardiologists Course Industry Session Session for nurses and medical technicians Conference

		8:30	9:00	9:30	10:00	10:30	11:00	11:30	12:00	12:30	13:00	13:30	14:00	14:30	15:00	15:30	16:00	16:30	17:00	17:30
LEVEL 2	Bleu Amphi.	New ESC 2025 guidelines: myocarditis		 BREAK - EXHIBIT	New ESC 2025 guidelines: cardiovascular diseases during pregnancy		 BREAK - EXHIBIT	 Therapeutics of the future		 BREAK - EXHIBIT			 BREAK - EXHIBIT	tbd					Bleu Amphi.	
	Maillot	Heart disease, sports, and risk prevention			Role of revascularization in chronic coronary syndromes			Practical cardio-oncology			Lilly workshop-debate From the GLP1 agonism to the GIP/ GLP1 double agonism			AstraZeneca symposium Current challenges and future directions in the treatment of heart failure			Maillot			
	241	Atrial fibrillation ablation in 2026			To implant or not to implant?			European Conference Cardiovascular disease screening: imaging at the heart of prevention African Conference Metabolic syndrome and cardiovascular risk across continents			Bayer workshop-debate ATTR-CM: from diagnosis to management			Stress echocardiography and valvular heart disease: how to do it?			241			
	242 AB	Aortic stenosis and challenging situations: from diagnosis to management			Mitral regurgitation: the challenges			Acute myocarditis: updates			BMS workshop-debate Hypertrophic cardiomyopathy (HCM): how to optimize the management of your patients			Evolving management of pulmonary embolism			242 AB			
	243	Sleep quality and heart health			Joint session SNFMI Heart failure and immunity			How far should we strengthen primary prevention?			Boehringer Ingelheim workshop-debate 10' tops to convince: key messages on cardiovascular, renal and metabolic prevention			Cardiovascular prevention in women			243			
	251	Heart failure screening			Joint session CNPC AI in cardiology: turning promise into practice			All you need to know about aortic stenosis			Viartis workshop-debate New data, new strategies: what if ezetimibe becomes a reflex?			Joint session ESC CCO Transforming cardio-metabolic management in cancer patients			251			
	252 A	Session for nurses and medical technicians IPA round table			Conference Therapeutic adherence: motivate or persuade? Conference Sleep and the heart: new hopes			Fédération Française de Psychiatrie						Strengths and limitations of FFR			252 A			
	252 B	Joint session AEPEI Infective endocarditis: let's improve our practices			Imaging and primary prevention: a window into risk?			Multivalvular heart disease: from diagnosis to treatment						Management of aortic stenosis in women			252 B			
	253	Joint session SFMV Multimodal prevention of lower limb artery disease			Joint session EHJ European Heart Journal									Sleep apnoea and the heart: perspectives for improved management			253			
LEVEL 3	Bordeaux Amphi.	 Best of 2025 (Part III)		 BREAK - EXHIBIT	Which cardiac imaging after a stroke?		 BREAK - EXHIBIT	Joint session BSC Genetics and cardiology		 BREAK - EXHIBIT			 BREAK - EXHIBIT	Joint session EHRA Atrial fibrillation and heart failure		 Highlights of the congress	Bordeaux Amphi.			
	Havane Amphi.	Joint session SRLF Postoperative management of common cardiovascular conditions			Cardiovascular prevention in cardio-oncology			Atrial fibrillation: beyond rhythm control						Aortic regurgitation: from diagnosis to treatment			Havane Amphi.			
	341	PCSK9 inhibitors in the intensive care unit			Latest trends in nutrition: are we on the wrong track?			Abbott Medical symposium Is there really an age limit for heart failure patients requiring long-term assistance?						Abbott Medical symposium Tricuspid failure: how is it managed today?			341			
	342 AB	Cardio-Online session			Joint session SFGG The cardiovascular prevention in the elderly: how far should we go?			Joint session EACVI Right ventricular function: from echocardiography to advanced imaging			Pfizer Rare Diseases workshop-debate ATTR amyloidosis at the heart of our practice			Joint session HFA Modern management of decongestion			342 AB			
	343	Joint session SFG Société Française de Gynécologie			Joint session SSC Société Suisse de Cardiologie			Boston Scientific symposium Preventing sudden cardiac death - What's new, what's next						Nutrition and cardiovascular prevention in Africa			343			
	351	Physiological cardiac pacing			Heart failure in tropical regions			"Unusual" acute coronary syndromes						What cardiologists need to know about addiction withdrawal			351			
	352 A	Joint session SFPC How to improve treatment adherence?			The calcified mitral valve												352 A			
	352 B	3D imaging of congenital heart diseases for better interventions						Joint session SMC Heart failure with preserved ejection fraction						Joint session SPLF Pulmonary hypertension			352 B			
	353	Philips Training Center Assessment of right ventricular function in routine clinical practice (RV)			Philips Training Center Mitral regurgitation: from diagnosis to treatment (MV)			Philips Training Center Management in the treatment of tricuspid valve disease (TVD)						Philips Training Center Management of ASD and PFO closures			Philips Training Center Atrial heart disease: how to assess (LA/RA)		353	
	315				GlaxoSmithKline Training Center Vaccination: highlights from the recent literature			GlaxoSmithKline Training Center Vaccination: the key role of nurses in ambulatory-hospital pathway						GlaxoSmithKline Training Center Vaccination in hospitals: sharing best practices					315
